## Impact from the LSs

Nicola Shelton, Director of CeLSIUS, UCL

# Impact from the LSs – E&W LS

- Data from the ONS LS has a long history of use in Gov reviews and enquiries:
  - Dilnot Commission (2011)
  - Marmot Review (2010)
  - Turner Commission (2005)
  - Acheson Report (1998)
  - Whitehead Report (1987)
  - Black Report (1980)

# Impact from the LSs – E&W LS

- DH and DWP: LS-based statistics key to their work on pension projections
- 2011 Census quality assurance:
  - ONS LS used in calibration and adjustment work and beta-testing

# Impact from the LSs – NILS

- O'Reilly, QUB with Director of Screening Services (NI Public Health Agency) - Breast Screening uptake project
- Led to a review of factors responsible for poor uptake
  - PI invited to join the NI PHA Screening Planning and Review Group

# Impact from the LSs – NILS

- Shuttleworth, QUB work on internal migration, social deprivation and religion in Northern Ireland:
  - Led to advice to Community Relations Council to inform their understanding of housing market
  - Led to presentations to NI Assembly and discussions with the Northern Ireland Office

# Impact from the LSs – SLS

- Freeke, Glasgow City Council - tenure change in Scotland, 1991-2006
  - Unique insights incorporated into a demographic model of tenure change
  - Fed into a number of key strategic policy documents:
    - Glasgow and the Clyde Valley Strategic Development Plan (2012)
    - Glasgow's Housing Strategy (2012)

# Impact from the LSs – SLS

- McCollum, St Andrews, for Scottish Government - return and long-term in-migrants in Scotland
  - Fed into Scottish Govt report: 'Characteristics and intentions of immigrants to and emigrants from Scotland – Review of existing evidence' (2011)
  - Featured widely online:
    - Skills Development Scotland
    - Migrant's Rights Network
    - National Coalition of Anti-Deportation Campaigns
    - Information Centre about Asylum and Refugees
  - Referenced in UK Needs Analysis Report of the 'EU Portfolio of Integration' project
